

# Gwinnett, Newton, & Rockdale County Health Departments

## Internship Opportunity

**Internship Title:** *Undergraduate or Graduate level Adolescent Health and Youth Development Collaborative Project Intern*

**Program Area:** Community Health

**Open for submission:** December 14, 2018

**Deadline for submission:** January 15, 2019

**Location on Internship:** *Varying High schools throughout District 3/4*

### Internship Summary:

The Adolescent Health & Youth Development (AHYD) Program would like the Community Health program to become more involved in the schools and with adolescent health issues. The AHYD program is provided at the following schools:

- Gwinnett: Discovery, Meadowcreek, Berkmar, Shiloh and South Gwinnett High Schools
- Newton: Newton High School
- Rockdale: Salem High School

To accomplish this collective goal the intern would need to:

- Implement monthly awareness campaigns
- Collaborate with internal and external partners and programs (including but not limited to the Adolescent Health and Youth Development Program, Communications, STD/HIV, family planning)
- Advertise GNR community health programs and services

At Gwinnett, Newton, & Rockdale County Health Departments, we work to protect and improve the health of those who work, live, and play in our community. Our most valuable resource is, by far, the dedicated and highly trained staff and interns who enjoy and appreciate the opportunity they have to serve our community.
