

Gwinnett, Newton, & Rockdale County Health Departments Internship Opportunity

Internship Title: Graduate level Population Studies Intern

Program Area: Community Health

Open for submission: March 8, 2018

Deadline for submission: April 13, 2018

Location on Internship: Remote & District Office/ Lawrenceville

Open to: Refer to the list of eligible schools

Internship Summary:

Gwinnett, Newton, and Rockdale County Health Departments is an accredited health department. As a part of GNR's accreditation, the health department conducts a Community Health Assessment and Community Health Improvement Plan every five years. To help with data collection efforts the intern would:

- Assess baseline data for Gwinnett, Newton, and Rockdale using OASIS, County Health Rankings, and other data sources
- Compile a baseline data report for each county
- Assist with primary data collection in each county as needed
- Assist with data analysis

At Gwinnett, Newton, & Rockdale County Health Departments, we work to protect and improve the health of those who work, live, and play in our community. Our most valuable resource is, by far, the dedicated and highly trained staff and interns who enjoy and appreciate the opportunity they have to serve our community.
