

JOB ANNOUNCEMENT

Communicable Disease Specialist 2

(unclassified position)

Posted: February 18th, 2021

Deadline/Closing: Open Until Filled

Location: HIV/STD Clinic-Lawrenceville

Salary: \$39,000

Paygrade: I

Position Number: NEW

Position open to: All qualified applicants

Job Summary:

The Gwinnett, Newton and Rockdale County Health Department is seeking a qualified candidate who, under supervision, will serve as a Communicable Disease Specialist for the District HIV Program. The incumbent will be responsible for: conducting timely disease intervention functions to control and prevent HIV/STDs; providing STD/HIV education to patients, their partners, clinicians and other community members; counseling patients on their diagnosis and potential treatment options; conducting patient interviews to elicit partners and other epidemiological data; performing investigations to gather information using an array of resources; and coordinating testing and treatment for infected and affected individuals. This position will work as a part of a collaborative HIV prevention team and will work with community based organizations providing HIV prevention and care. This position will collaborate with program staff as we work toward HIV Elimination goals outlined in the Ending the Epidemic initiative

Minimum Qualifications:

Completion of a Bachelor's degree from an accredited college or university AND Six months of related experience OR Associate's degree from an accredited college AND Two years of experience in a related field OR Four years experience in a medical related field OR Licensure as a registered nurse (RN) AND one of nursing experience OR One year of experience at the lower level Communicable Disease Specialist 1 or position equivalent.

Copy of Official College Transcript & 3 Year Motor Vehicle Report must be submitted with application.

Preferred Qualifications: Experience in social services delivery, medical case management, and/or any other aspect of HIV care is preferred. Preference will also be given to applicants who, in addition to meeting the minimum qualifications, possess Disease Information Specialist certification or two years experience as a CDS. Computer literacy in Excel and Word and excellent communication and writing skills are also preferred.

We Offer: 12 paid holidays, 3 weeks each of annual and sick leave per year. A defined benefit retirement plan, life insurance and payroll deductible Health and Flexible Benefits (Dental, Vision, Legal, Long Term Care, Dependent Life, AD&D, Short and Long Term Disability). Medical and Child care spending accounts can be established in addition to deferred compensation options.

Instructions to Apply:
