

Gwinnett, Newton, & Rockdale County Health Departments Internship Opportunity

Internship Title: Undergraduate or Graduate level SNAP-Ed Program Intern

Program Area: Community Health

Open for submission: January, 2022

Deadline for submission: Until Filled

Location of Internship: This project is to be conducted at the District Office

Semester: Summer (May- August)

Internship Summary:

Under supervision, the intern will assist in the preparation for Direct Nutrition Education (DNE) classes. In addition to preparation, the candidate will choose a topic and create a presentation (virtual or in-person) then deliver DNE classes. The intern will attend meetings and or health fairs as well as assist at outreach events. The intern will participate in community outreach by searching for SNAP-Ed qualified community gardens and community sites. Lastly, the intern will help create promotional material for the social media campaign and attend any events related to the social media campaign. As an intern your projects will include:

- Prepare and teach a DNE class session.
- Newsletter for community partners/ success stories

At Gwinnett, Newton, & Rockdale County Health Departments, we work to protect and improve the health of those who work, live, and play in our community. Our most valuable resource is, by far, the dedicated and highly trained staff and interns who enjoy and appreciate the opportunity they have to serve our community.
